Project: Residence Emergence
(Flats, Offices) - Valenciennes (France)
Product: JI Ponant

Fierce and fiery
Make your building stand out.

Project: Shop - Orléans (France)
Product: JI Boréas XLS, JI Ouragan P30

When light meets dark

Contrasting colours to
give extra dimension.

Project: Offices - Saint Brieuc (France)
Product: JI Sonora

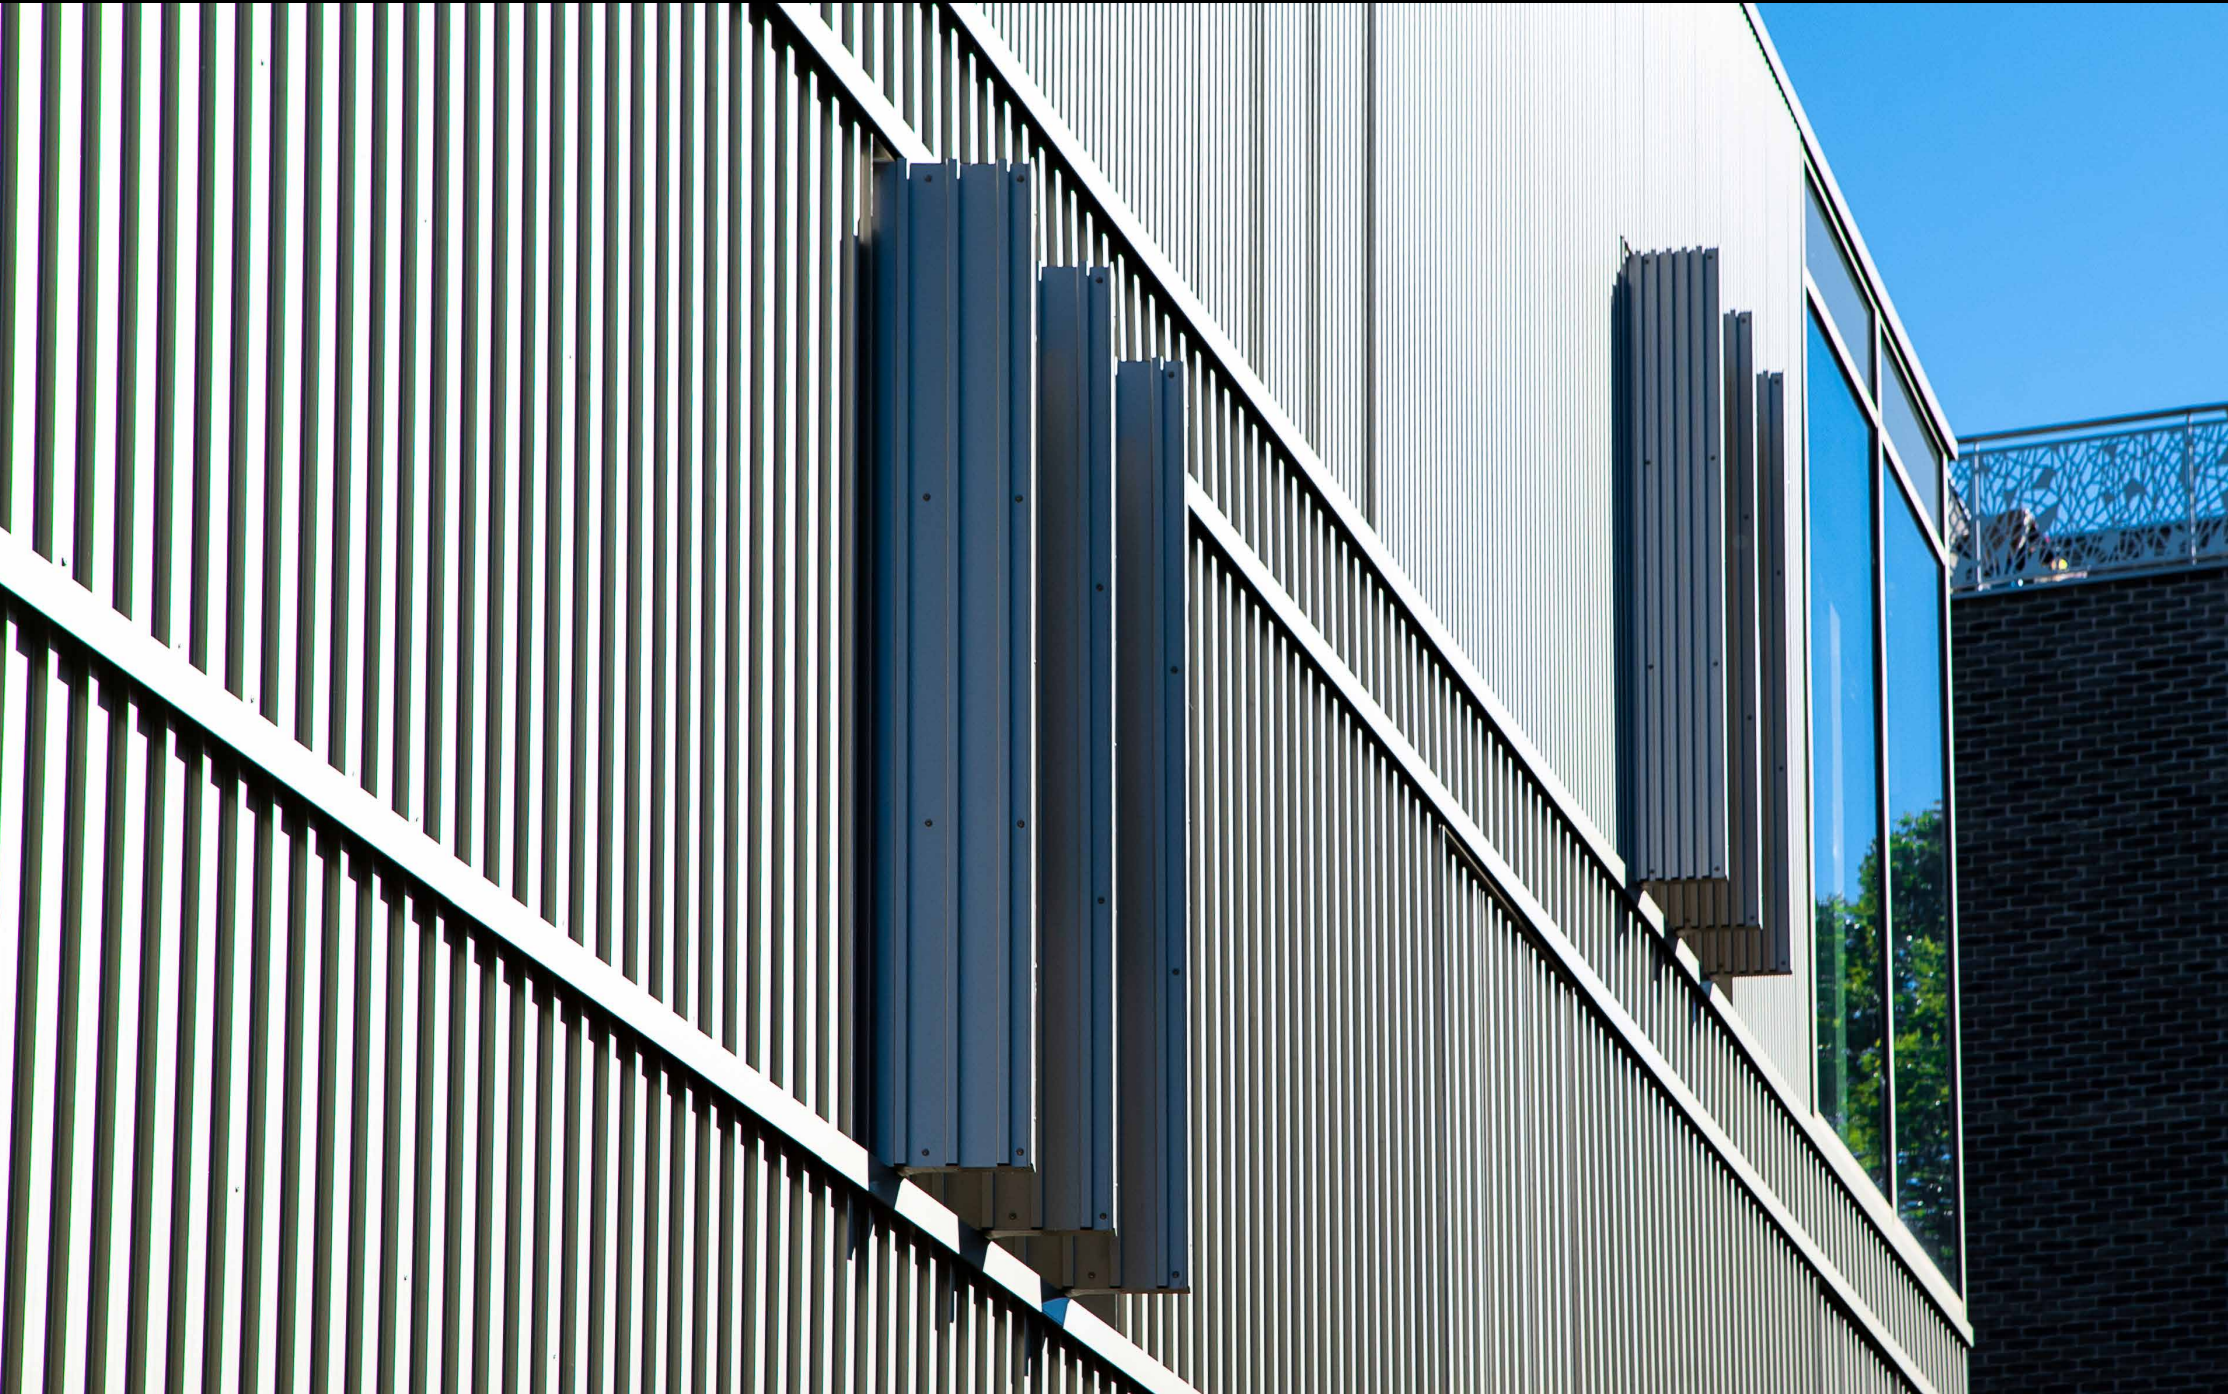

You can never go wrong with
all black. Especially when you
add an impressive line pattern.

Project: Health centre - Habas (France)
Product: JI Grégale B500, JI Ouragan P30

Why not combine
different textures and
different colours?
A touch of copper
next to a metallic shine?
Dare to go there.

Project: Health centre - Orly (France)
Product: JI Albe, JI Brise, JI Sonora

When *design* reaches
through the walls.

Project: CNAM (public building) -
Ploufagran (France)
Product: JI Brise 10

When ***concrete and
steel*** blend together
seamlessly.

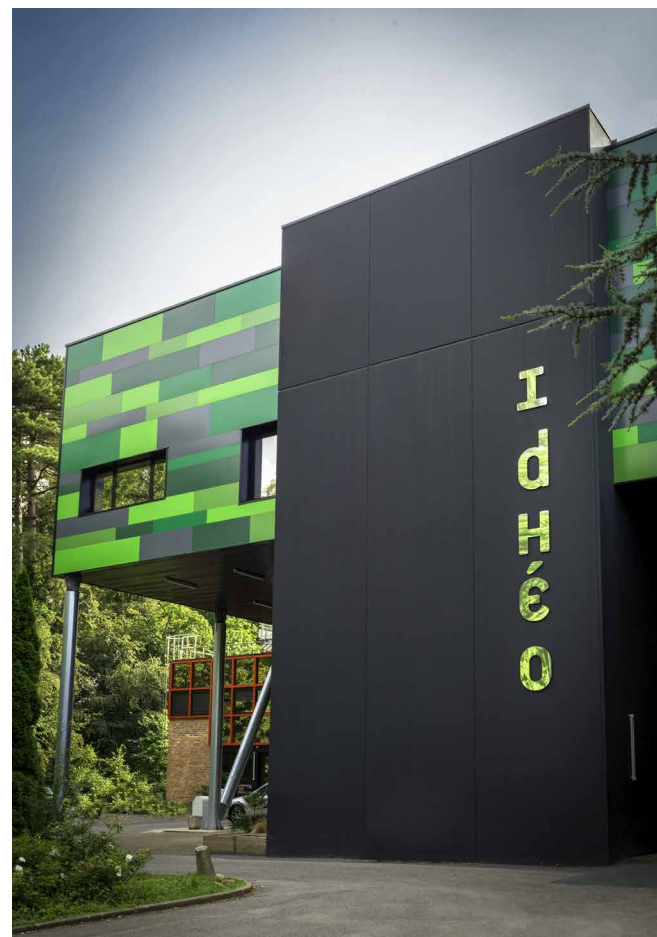

Project: Sports centre - Saint Nicolas d'Algermont (France)
Product: JI Grégale B300

Turnkey solutions that meet your requirements in terms of acoustics, aesthetics, fire protection, heat science, and more.

Project: IdHEO (school of osteopathy) -
Nantes (France)
Product: JI Boréas XLS

Asymmetrical and playful.
The ***different shades of green*** give the feeling of ***camouflage***.

Project: Isoglass Menuiseries (shop) -
Orléans (France)
Product: JI Grégale B300, JI Ouragan P30

Through the looking glass

A touch of yellow

Project: Offices - Chateaulin (France)
Product: JI Brise Vario

It's all about textures and ***mixing materials.***

Project: Offices - Saint Grégoire (France)
Product: JI Magine, JI Sonora Vario

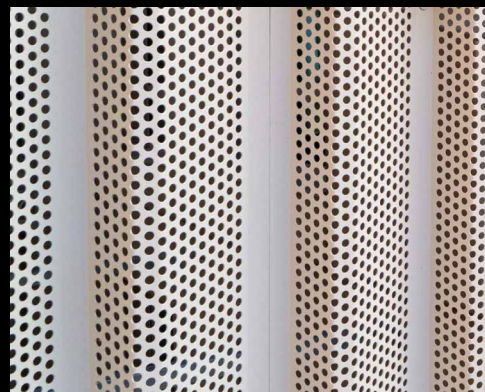

A *pop* of orange

Project: Le Quatuor (Offices) - Angers (France)
Product: JI Magine

Perforated panels, perfect to keep the sun out.

Project: Residence Vilanova (Flats,
Offices) – Saint Grégoire (France)
Product: JI Grégale B300

This is how you
make a ***classic colour
combination*** stand out.

Project: Electro Depot - Croutelle (France)
Product: JI Boréas XLS, JI Ouragan P30

A subtle blend of ***muted tones and materials.***

Project: EuroAirport -
Basel-Mulhouse (France)
Product: JI Magine

A technical challenge
with **more than 50%**
perforation.

Project: Health centre -
Chancelade (France)
Product: JI Grégale 300

A feeling of *depth*

Project: Bilbao Tower (flats) -
Rennes (France)
Product: JI Brevia 27

The *golden hues*
of honey

Project: Sports centre - Mauléon (France)
Product: JI Sonora

Who's ready to play *checkers*?

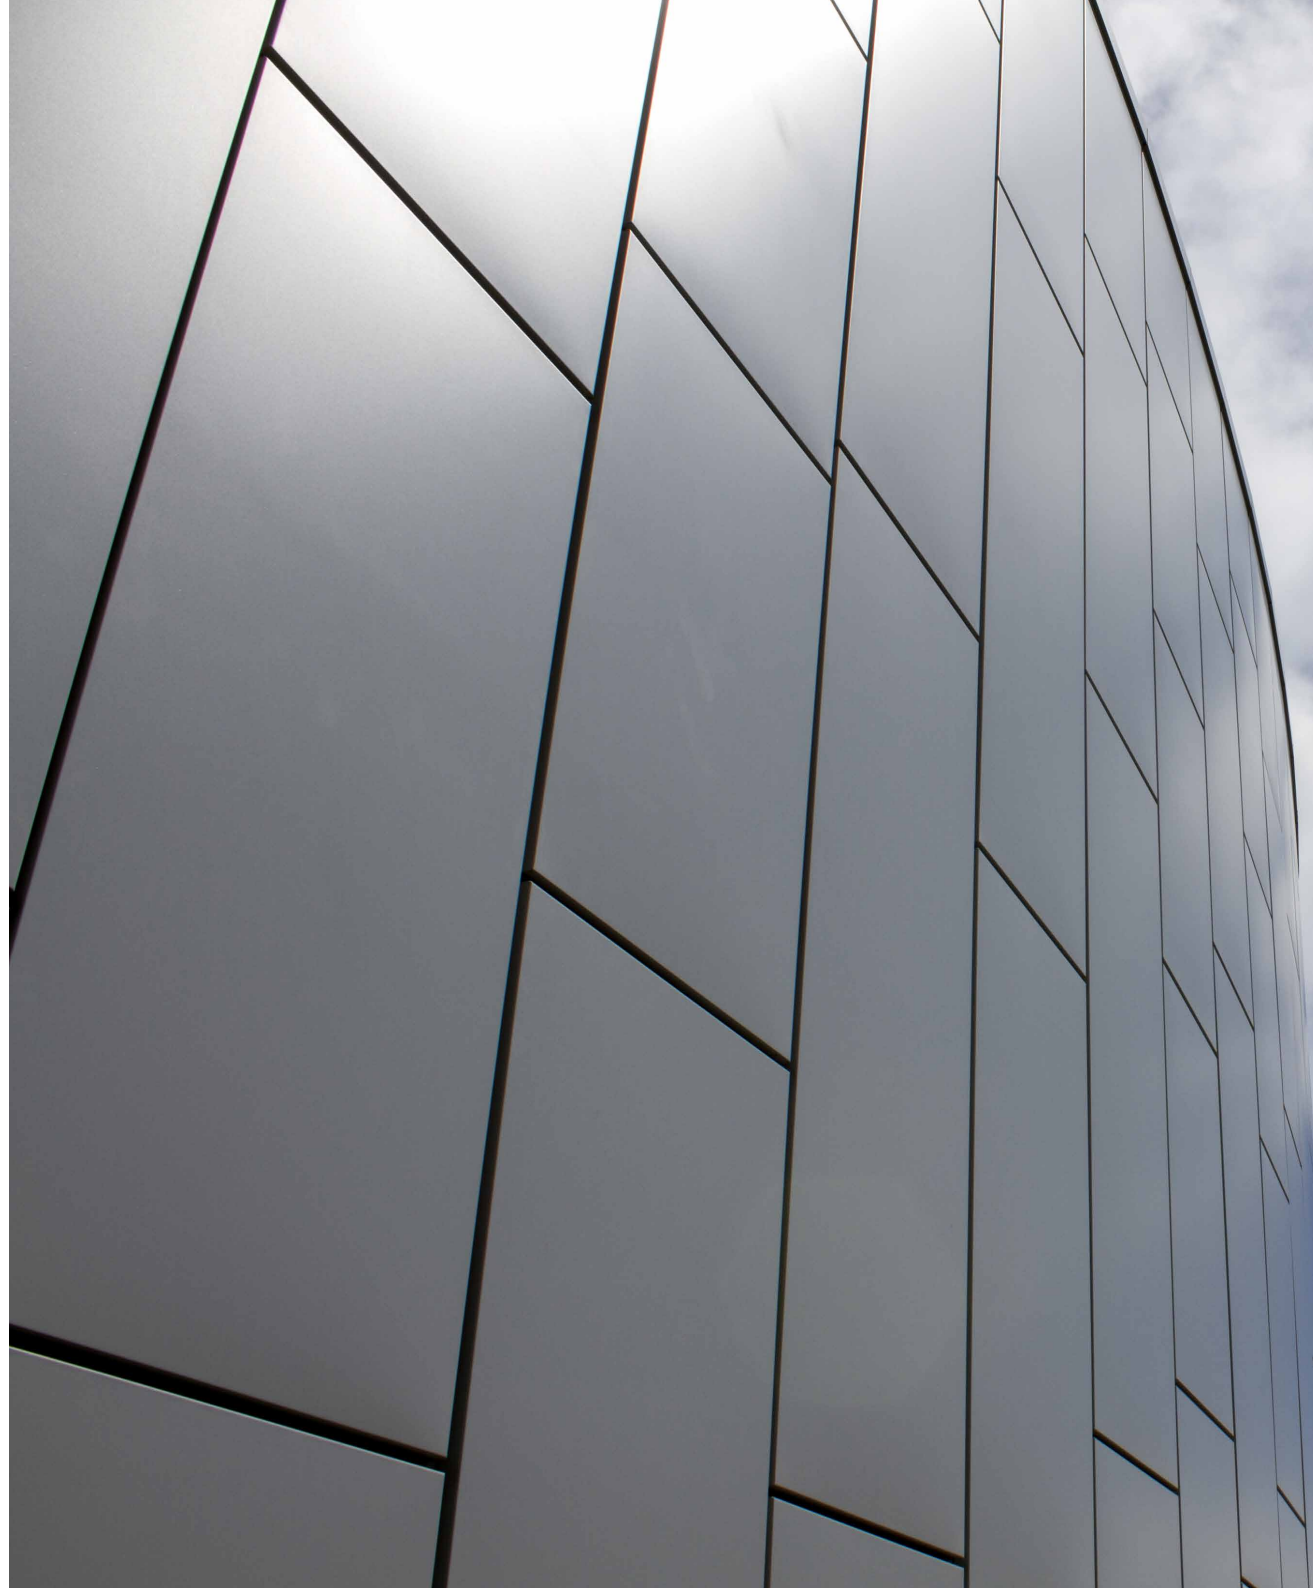

Project: Altenov
Headquarter -
Betton (France)
Product: JI Grégale
300, JI Ponant M,
JI Ponant W

We welcome
creativity in
architecture.

Project: University Halls - Nantes (France)
Product: JI Boréas XLS, JI Grégale B300

Exterior thermal insulation,
but make it ***look good.***

Project: Shopping
centre - Urrugne
(France)
Product: JI Boréas
XLS, JI Brea 27

***North versus
South.*** Who says
both facades need
to be identical?

Project: Storage building - Orléans (France)
Product: JI Ouragan P30

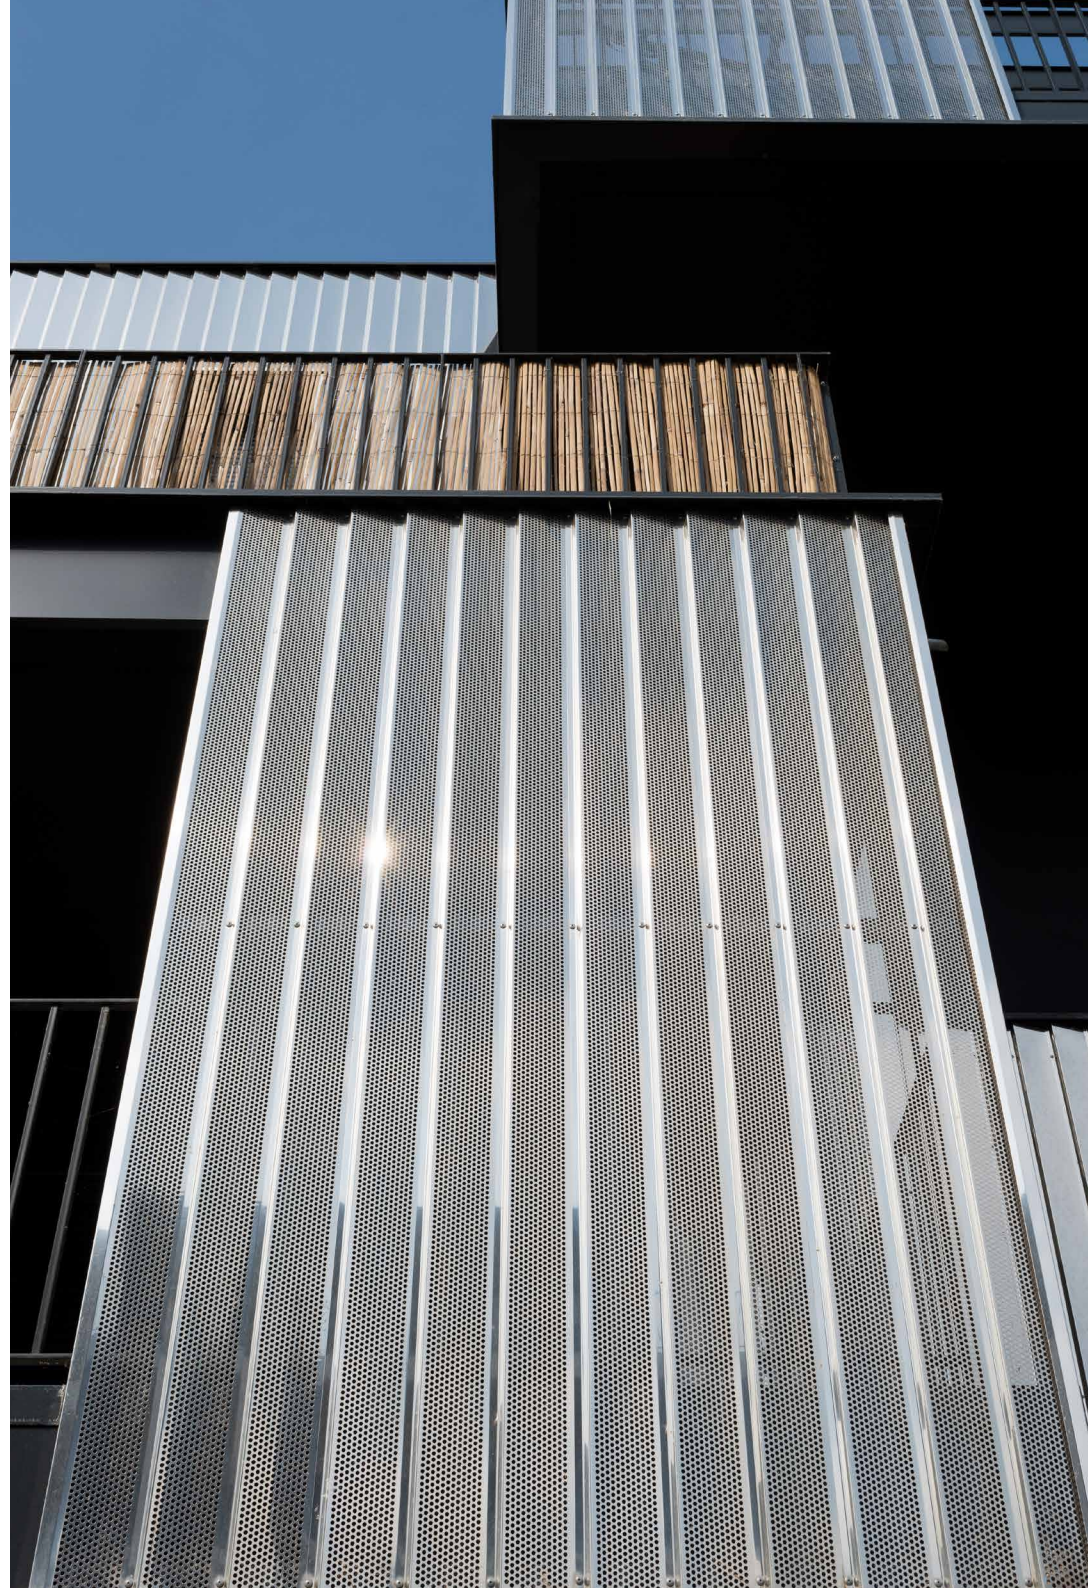

When the ***light hits*** just at
the right spot

Project: Le Stéphanos (Multiple dwellings) -
Nantes (France)
Product: JI Brevia 27

Clad with stainless steel
and sparkling brilliantly.
This steel decor generates
multiple reflections linked
to the planted environment.

Project: Retail area - Saint Mard (France)
Product: JI Grégale 300

Salmon pink, not
your usual colour.

Project: New office buildings MCS,
Rochetretjoux (France)
Product: JI Boréas TEC Perfo, JI Wall
1000SF panel

White *random
perforation & Oxydium
color* for a perfect
combo!

We can bring your imagination to life, making your architectural dreams come true!
